Reaching Gilmer County Through
Prevention, Education, Support

Think substance abuse is a huge problem? Feel like there's nothing that you can do to help?

There is! Prevention works when we all get involved. The Gilmer Co. Substance Abuse Prevention Coalition is made up of caring, local individuals committed to reducing substance abuse in Gilmer County through prevention efforts.

Want to come to a meeting and see what we've been up to? You're invited! Join us for a coalition meeting in a relaxed and friendly atmosphere.

Working together, we can make a difference!

Contact us at (304)462-7545 to find out how you can become involved!!!

April is Child Abuse Prevention Month. Find out how you can become involved in your community during Child Abuse Prevention Month activities! Contact the Gilmer County Family Resource Network at (304)462-7545.

BIRTH TO THREE

WV Birth to Three 800-642-9704

Services Offered: Birth to Three is a system of services and supports for children ages birth to three who have a delay in their development or may be at risk for a delay. The early intervention services are offered at no cost to families/ no income guidelines and provided in the child's daily natural development (home or community setting). Any child in West Virginia between the ages of birth through 35 months may be eligible if the child is not reaching age-appropriate milestones in one or more areas of development, is at risk for developmental delay, or is diagnosed with a condition that may result in a developmental delay. Anyone (a parent, doctor, caregiver, teacher, or friend) can make a referral by calling 1-304-485-2000. If the child is determined eligible, an individualized Family Service Plan (IFSP) is written based on the individual needs of the child and family within 45 days of the referral. (If your child is three years old or older, contact local school districts to see if your child is eligible for the preschool special education program.) To learn more about WV Birth to Three services in your area, please call 1-866-401-8919, 1-304-485-2000 or visit

The Affordable Care Act closes most of the current gaps in health care coverage by strengthening our current system of Medicare, Medicaid, and private insurance. Medicare will continue to cover people who are elderly or disabled. Medicaid and CHIP will still cover income-eligible children. Affordable individual plans are offered through new health insurance exchanges to people who don't have coverage through their employers, Medicare or Medicaid.
