Tina Acord, Director

The Wyoming County Family Resource Network Directory

Introduction:

By definition a Family Resource Network is a community based organization that serves as the primary coordinating and planning body for the community's service system for children and families. The purpose of the FRN is to:

- 1) Assesses community needs
- 2) Develop local action plans
- 3) Promote changes
- 4) Evaluate results
- 5) Assist state agencies with service
System reform

Mission Statement:

The mission of the Wyoming County Family Resource Network is to strengthen the network of services through collaborative delivery processes designed to enhance self-sufficiency and promote the well-being of all citizens of Wyoming County.

Funded By:

West Virginia Department of Health & Human Resources
